EBOS HEALTHCARE

ESSENTIAL TO HEALTH

CONTI™

Conti™ has been developing and manufacturing personal hygiene solutions for use in professional care for over 40 years.

Conti™ Wet Wipes
A complete range of rinse free cleansing solutions, designed around the individual needs of those receiving care or assistance.

The Conti™ range provides accessible solutions for bedbound body and hair cleansing, effective cleansing for in-between full body bathing, as well as flushable, plastic free, intimate hygiene wipes.

Conti™ Dry Wipes
A comprehensive range of Conti™ multipurpose dry wipes which combine strength, softness, and absorbency to deliver best practice in hygiene through everyday personal care.

Discover our extensive range of Cleansing Dry Wipes, which includes flushable and maceratable options, cotton or cellulose-based wipes, and other super soft, kind to skin alternatives.

Our core brand values

Commitment
40 years' experience in developing and manufacturing hygiene solutions for the professional care sector with products that support personalised care planning, whilst delivering best practice.

Compassion
Providing choice for assisted bathing and continence care whilst empowering those seeking self-care solutions.

Collaboration
Developed alongside experts, our tried and tested range delivers evidence-based, kind-to-skin care.

Control
Reducing the risk of infection through best practice in personal hygiene remains our number one focus.
