	Use of gentian violet and methylene blue impregnated foam in chronic leg ulcers	A pilot skin and wound care programme in two residential aged care facilities	Maintenance of head positioning in immobile critically ill patients at high-risk of pressure injuries.	Barriers and enablers of implementing the T.I.M.E. framework when assessing and managing chronic wounds.
<a href="#">Lisa Ellis</a>	<a href="#">Mandy Pagan</a>		<a href="#">Gabrielle Munro</a>	

1245 -1345	<b>Virtual exhibition networking</b>
------------	--------------------------------------

1345 -1515	<b>Lunch Sponsor Symposium</b>
	Wounds in Aged Care: Time to Get Some Skin In The Game
	A deep dive into Aged Care in Australia featuring Dr. Michelle Gibb, Prof. Geoff Sussman, and Dr. Mark Hoenburg. The symposium will cover the challenges of caring for wounds in aged care, the recommendations from the aged care reform, and a lively panel discussion moderated by Dr. Frances Henshaw.
	<b>Moderator:</b> Dr. Frances Henshaw
	<b>Speakers:</b> Dr. Michelle Gibb
	Prof. Geoff Sussman Dr. Mark Hoenburg

**Enhancing Pressure Injury Prevention**

Zena Moore

1345 -1515

**Incontinence Associated Dermatitis (IAD): Latest best practice in prevention & management**

Dimitri Beeckman

1515-1600

**Virtual exhibition networking**

1600 -1700

**Afternoon Sponsor Symposium**

**Beating Surgical Wounds: A Call to Action**

**Speakers:**

Kylie Sandy Hodgetts

Philip Russo

Doreen McKeever

**INNOVATION IN DIABETIC FOOT CARE: How Can Research & Development Improve Clinical Outcomes?**

**Speakers:**

Serge BOHBOT

Michael Edmonds

Marco Meloni

Michael Woodward

1700 - 1800

**Wounds Australia "Behind the Scene" Concurrent Session**

1700 - 1800

**Aged Care in Australia: Considerations for professionals caring for the older person**

Ageing in Australia

**Speaker:** Keryln Carville

The wounded ageing: A Unique population

**Speaker:** Katy Melrose

Royal Commission

**Speaker:** Hayley Ryan

**Wounds Australia**

Wounds Australia initiatives/advocacy and future of Wounds Australia

**Speaker:** Blake Wilson

Wounds Australia Credentialing

**Speaker:** Geoff Sussman

Wounds Australia Scholarships, Grants and Awards Presentation

**Speakers:** Blake Wilson, Hayley Ryan

**Wounds Australia Research**

Overview 2018 – 2020

**Speaker:** Peta Tehan

Collaborating with consumer in wound care research: aiming for active partnerships

**Speaker:** Jill Campbell

How to write and publish a research paper

**Speaker:** Allison Cowin

Research grant progress - Factors influence chronicity in diabetic foot ulceration

**Speaker:** Peta Tehan

Award Ceremony for 2020 Research Grants

**Speakers:** Christina Parker, Stephen Tucker and Holly Clegg

**Industry Networking Functions**

0800 - 0900	<p><b>Innovation in Wounds Showcase and Interactive Panel Discussion</b></p>  <p><b>Our Promise – You Are The Change</b></p> <p>A session on ConvaTec's promise to wound care professionals in acute and aged settings. Brian Byrne addresses the concept that change starts with each of us as the carers and children of ageing Australians. Brian Byrne will walk through ConvaTec's promise to connect professionals in Aged Care with resources they need to see change in our ageing population's health and quality of life. Followed by a panel discussion.</p> <p><b>Speaker:</b> Mr Brian Byrne</p>	 <p><b>The Impact of Antimicrobial resistance on topical wound treatment selection.</b></p> <p>Infection can negatively impact wound-healing, the quality of life and result in increased healthcare costs. When managing infected wounds and wounds at risk of infection, attention needs to be given to the potential of antimicrobial resistance (AMR) development.</p> <p><b>Speaker:</b> Gilles Brackman</p>
0900 - 1000	<p><b>Plenary 3: Holistic Practice</b></p> <p><b>Chairperson:</b> Pam Morey</p> <hr/> <p><b>I am me first, then I am a person with a wound - reigniting the importance of person centred care</b></p> <p><a href="#">Speaker: Zena Moore</a></p> <hr/> <p><b>Wellness in people with wounds</b></p> <p><a href="#">Speaker: Penney Upton</a></p> <hr/> <p><b>Power to the people - self-management of wounds</b></p> <p><a href="#">Speaker: Suzanne Kapp</a></p>	
1000 - 1030	<p><b>Virtual exhibition networking</b></p>	
1030 - 1230	<p><b>Plenary 4: Effective Change Agent</b></p> <p><a href="#">Chairperson: Bill McGuinness</a></p> <hr/> <p><b>How the crowd can make change in wound care</b></p> <p><a href="#">Speaker: Zena Moore</a></p> <hr/> <p><b>Affecting organisational change across clinical settings</b></p> <p><a href="#">Speaker: Dot Weir</a></p> <hr/> <p><b>Change the conversation (and the dressing): Using Motivational Interviewing to Support Behaviour Change</b></p> <p><a href="#">Speaker: Cathy Boyle</a></p> <hr/> <p><b>Personal and professional perspectives of wound healing from a seaweed scientist</b></p> <p><a href="#">Speaker: Pia Weinberg</a></p>	
1530 - 1645	<p><b>Plenary 5: Emerging Innovations</b></p> <p><a href="#">Chairperson: Michael Woodward</a></p> <hr/> <p><b>How do you take the seed of an idea and grow it; examples from practice</b></p> <p><a href="#">Speaker: Brian Lepow</a></p> <hr/> <p><b>Adding negative pressure to improve healing (dressing) trial: a pragmatic, randomised controlled trial</b></p> <p><a href="#">Speaker: Brigid Gillespie</a></p> <hr/> <p><b>Review of excision wounds treated with an innovative dressing</b></p> <p><a href="#">Speaker: Rosemary Craig</a></p> <hr/> <p><b>Moon Boot meets APOLLO. A perfect marriage for off loading. Now made in Australia</b></p> <p><a href="#">Speaker: Allan Donnelly</a></p>	
1645 - 1700	<p><b>Closing ceremony</b></p> <p><b>Chair:</b> Blake Wilson</p>
