

# Better Care for a Better World

**\*Kimberly-Clark**

Sustainability  
**2030**

## SOCIAL IMPACT

**191M**

Lives impacted  
since 2015  
(against 1 billion goal by  
2030)

## CLIMATE

**41%**

Carbon footprint  
reduction from Scope 1  
& 2 emissions since 2015  
(against 50% goal by 2030)

## FOREST/NATURE

**39%**

Natural Forest Fiber  
footprint reduction  
since 2011  
(against 50% goal by 2030)

## PLASTICS

**16%**

Plastics footprint  
reduction since 2019  
(against 50% goal by 2030)

## WATER

**52%**

Water footprint reduction  
since 2015  
(against 50% goal by 2030)

Note: Social Impact (2030) | Plastic (2019-2030) | Energy & Climate (2015 - 2030) | Forest/ Nature (2011 - 2025) | Water (2015-2030). All results based on 2023 actuals

# We proudly manufacture in Millicent South Australia

## Better Planet (Millicent Mill)

**64**

years

Established in 1960 with just 90 employees.

**685**

employees

Today, Millicent Mill directly employs 685\* people in full-time, part-time, and casual roles

**\$750<sub>M</sub>**

investment

Total capital investment over the last 60 years of operation

**\$35<sub>M</sub>**

COGEN

COGEN facility enables Mill to be self-sufficient:

- 100% of Steam
- 92% of Electricity
- 85% of Drying heat

**30.5%**

GHG reduction

KCANZ has achieved a 30.5% GHG emissions reduction (Scope 1 and 2) vs 50% goal against 2015.

**7%**

water reduction

Millicent Mill's water usage from the sustainable aquifer has decreased by 7% since 2021

**Zero**

waste achieved at our Millicent Mill
