

Vernacare is the only company to manufacture the complete human waste disposal system, including pulp disposal unit and a full range of medical pulp products.

Quality Guaranteed

Vernacare's medical pulp products carry the BSI Kitemark and are manufactured in line with BS ENISO 9001: 2000 and PAS29:1999, using 100% over-issued clean newspaper. As the biggest medical pulp moulder in the world, producing around 150 million units per year. Vernacare have invested heavily in automation and quality control measures to ensure that the product quality is of a consistently high standard.
