“Upgrading from ABI to a full MESI mTABLET setup with ECG and spirometry has significantly improved our workflow thanks to its speed, simplicity, and seamless integration.”
Philip Heiden, United Kingdom

Eligibility for Small Business Support –
\$20,000 instant asset write-off*

*The **Small Business Support – \$20,000 instant asset write-off** measure announced by the Australian Government is for the **2024-25 income year**. This measure will be in place until **June 30, 2025**.

- Small businesses with an aggregated turnover of less than \$10 million will be able to immediately deduct the full cost of eligible assets costing less than \$20,000.
- These assets must be first used or installed ready for use between **1 July 2024 and 30 June 2025**.
- The \$20,000 threshold will apply on a per asset basis, so small businesses can instantly write off multiple assets.
- Assets valued at \$20,000 or more (which cannot be immediately deducted) can continue to be placed into the small business simplified depreciation pool and depreciated at 15% in the first income year and 30% each income year after that.
